# Aberdeen's Pedestrian Plan Vision Statement

*This plan envisions that the Town of Aberdeen.....*

*...Provides & plans for safe and comprehensive walking facilities*

*...Engages & empowers the community in healthy activities through sensible design*

*...Establishes & strengthens north-south and east-west walking connections*

*...Creates & reinforces walking routes to adjacent community facilities, trails and recreation, and downtown*

*...Enables & empowers residents to walk for their local needs and to access quality food*

*...Considers & designs access for all ages, skills and social backgrounds to the sidewalk network*

*...Appreciates & reaps the benefits of a walking community lifestyle*
